## **Rain Check Guarantee**

We know how annoying it can be when you book a golf break, check the weather and find out it's due to rain all day! That's why we've created our Rain Check Guarantee for all golf breaks taking place throughout the winter months here at SbN.

Our Rain Check Guarantee allows you to change your booking up to 24 hours before your arrival time, so your break won't be a wash out!

T&Cs: Rain Check Guarantee is only valid if you notify us of the change before 24 hours prior to your original arrival time (tee time or check-in, whichever is earlier). Re-booking is subject to availability and is only valid within the same season of the original booking. Bookings can only be moved once.
